Group Discussion:
Limited time, limited resources.
Best practices to optimize you.

We Can't Create Time

- Common ways that we all use to simply do more, with less.
- Common ideas
- Be ready to discuss and share your ideas and best practices

What are the common ideas?

- Help Desk organization vs. Help Desk outsourcing
- Email solutions
- Documentation
- Screencasting and screen sharing
- One-to-many Communications

Questions to Ask Oneself?

- As a consultant, where's the place to spend time that makes the most sense?
- What's better to outsource?
- Should you be a managed provider (whether you are a consultant or an IT Pro)
- How do you do Project Management
- Task Tracking
- GTD

Discussion Questions

- What are the ways to do more with less?
- Methodologies?
- Solutions?
- Process?
- Hiring Help or Outsource?
